

Commercial Flooring + Floor Care

by Century

Underneath everything we do lies a foundation that supports us while we work. Workplace flooring plays an increasingly important role in acoustics, staff wellness and comfort, and wayfinding. Custer Workplace Sales Advisors consult directly with flooring experts from our business subsidiary, Century, to ensure optimal flooring solutions for your project.

We have you covered – from floor to ceiling.

Century's commercial flooring team is invested in your floor from start to finish. Readily available to install, protect, and care for any size floor and any application—from grand lobbies to entire offices and stairways to kitchens. Whether you want to update carpeting, replace cracked tile, or simply need to bring the shine back to an existing floor, Century's flooring experts are your esteemed resource.

CHOICE

The sky's the limit when it comes to our floors. Century's West Michigan showroom is brimming with inspirational ideas for any budget. We partner with dozens of flooring manufacturers to offer everything you can imagine, from classics like marble and porcelain to the latest trends. Century's showroom is a trusted resource for consumers, designers, and builders alike.

INSTALLATION

Century is able to provide any flooring application—no matter the size, shape, or budget of your project. Highly skilled installers deliver solutions in a wide range of materials, from carpet and tile to linoleum and concrete.

CARE

Once your floor is installed, Century's trained cleaners use the highest quality methods to keep it in top condition. Dedicated to safe, effective cleaning, our experts are trained in maximizing your floor's lifespan, reducing overall costs.

BUILDING + JANITORIAL SERVICES

It's easy to start each day feeling fresh and energized when your space is fresh and clean, too. With Century's custodial services, you can schedule regular cleanings according to your organization's needs and budget. They'll handle the rest—removing dust, allergens, and other things that come between you and your team's productivity and wellness.

MAINTENANCE + REPAIR

Cross other chores off your to-do list by enlisting Century's help with everything else. Maintenance services include window and power washing, drywall installation and repair, and even commercial painting. Century also provides construction site clean-up, so your new space is fully move-in ready once the renovation is complete.
